⚠️ WEAKNESSES

Website

- **No blog section - Missing content marketing opportunity**
- **No photo gallery - Can't showcase customer photos**
- **Missing FAQ section - Common questions not answered**
- **No email signup form - Not building customer database**
- **No location-specific pages - Not targeting nearby cities**

SEO

- **Limited blog content - Missing long-tail keywords**
- **Incomplete meta descriptions - Some pages are missing them**
- **Weak backlink profile - Expected for new business**
- **Low Google reviews - Need more reviews**
- **Irregular Google Posts - Updates are infrequent**
- **No online presence on local keywords, e.,g Pakistani restaurants in Bellflower**

Social Media

Instagram - Biggest Weakness:

- **Low posting frequency - Not posting daily**
- **Limited Reels - Reels are most important in 2025, but too few are being made**
- **Instagram Shopping not used - Missing direct sales opportunity**
- **Weak hashtag strategy - No proper research**
- **No behind-the-scenes content - Not showing kitchen, cooking process**
- **No user-generated content campaign - Not involving customers**

Facebook:

- **Very low posting activity**
- **Not using Facebook Events**
- **No Facebook Ads running**
- **Weak community engagement**

TikTok - 🚨 CRITICAL MISSING:

- **Not on the platform at all - This is the biggest opportunity in 2025**
- **Food content goes viral on TikTok**
- **Huge demand for Pakistani/Desi food**
- **Missing young audience (18-35)**
- **Competitors (Bar.B.Q Tonight) are active on TikTok**
- **Organic reach is still excellent**
